Karibu und herzlich willkommen to the German Studies at the University of Nairobi

Our sub-department was established in 1982 and represents one of the major German Programmes in East Africa to encompass undergraduate and postgraduate courses. We are currently running a successful MA-German Studies course with students from Kenya, Uganda, Sudan, Ethiopia, Zimbabwe, Cameroon, Ghana and Nigeria.

We are part of a cultural network of people and institutions collaborating with a variety of Kenyan and international partners. Our alumni work in fields ranging from diplomacy and education to tourism and administration.

If you would like to know more about and establish ties with the German speaking world, its languages and language varieties, literatures, cultures, political life and people, get in touch with us and browse our web-site.
